01 关于学会

中国纺织工程学会成立于 1930 年，是国内成立最早的由纺织科学技术工作者和有关单位自愿结成并依法在民政部登记注册的全国性、学术性、科普性、非营利性社会组织，业务主管单位是中国科学技术协会。

中国纺织工程学会现在 18 个专业委员会、3 个工作委员会和 10 个办事机构。拥有个人会员 5 万余人，团体会员 216 家。目前为第 25 届理事会，理事长为孙瑞哲。

- **Nearly 30 exchange activities such as academic salon, seminar, forum and training are open to members every year.**
- **Some major awards for scientific and technological talents such as academic leader, technical leader, academic award and young science & technology award in Chinese textile are set only for members.**
- **The recommendation of academicians of the Chinese Academy of Sciences and Chinese Academy of Engineering, Guanghua engineering award and election of high-end scientists such as female scientists in China are carried out only for members.**
- **The members have priority in participating in academic activities and enjoying the registration fee discount.**
- **The members have priority in obtaining relevant information about scientific research achievements and consulting services.**

01 About CTES

Founded in 1930, China Textile Engineering Society is a first national, academic, scientific and non-profit social organization in China formed by Textile science and technology workers and relevant units voluntarily, registered in Ministry of Civil Affairs according to law, and its competent business unit is China Association for Science and Technology (CAST).

China Textile Engineering Society consists of 18 specialized committees, 3 working committees and 10 working bodies. There are more than 50,000 personal members and 216 group members. Currently, it is the 25th council, and Sun Ruizhe acts as chairman.

02 对象和条件

凡从事纺织服装相关行业，具有一定科技力量的科研、教学、生产、设计、行业管理等企、事业单位以及依法成立的有关学术性社会团体；从事纺织服装行业专业技术或管理工作的个人，纺织服装相关专业的在校学生等，均可向本会申请加入。

本会会员分为个人会员和单位会员。

个人会员包括：高级会员、普通会员和学生会员、荣誉会员。

单位会员包括：副理事长单位会员、常务理事单位会员、理事单位会员、团体会员单位。

03 入会流程

个人会员和单位会员申请均使用网上注册（我会会员部将对会员所提交的资料进行严格保密）。

申请方式 1：登陆学会官网 www.ctes.com.cn，点击“会员申请”填报申请信息；

申请方式 2：扫描“会员申请”二维码直接进入注册页面。

02 Objects and Conditions

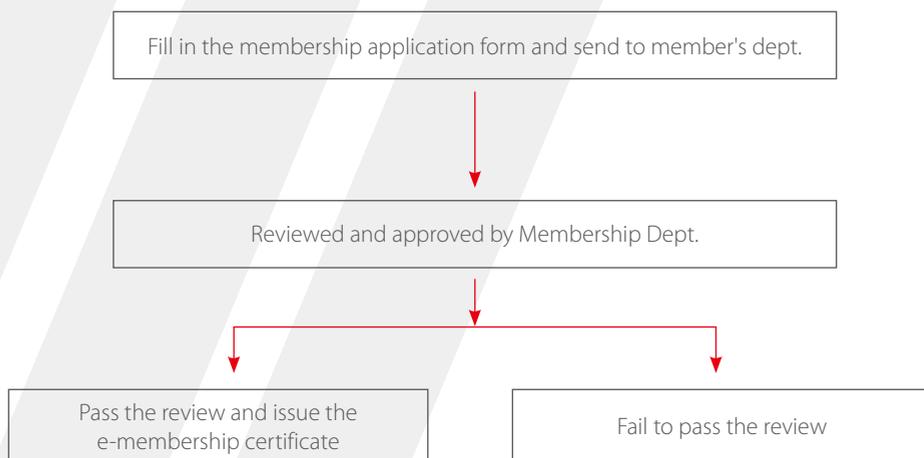

The enterprises and institutions engaged in textile and apparel industries with a certain scientific and technological power such as scientific research, teaching, production, design and industrial management units, the academic social organizations established according to law, the individuals engaged in professional skill or management work in textile and apparel industries, and the students majoring in textile and apparel can apply to join this Society.

This Society includes personal member and unit member.

Personal member includes: senior member, ordinary member, student member and honorary member.

Unit member includes: vice chairman unit member, managing director unit member, director unit member and group unit member.

03 Joining Process

04 学会优势

高端学术期刊和交流平台

EI 收录的纺织工程类重要期刊《纺织学报》，全国中文核心期刊《毛纺科技》。中国纺织学术年会，纺织科技新见解学术沙龙，亚洲纺织会议等。

人才水平评价

承接纺织工程技术领域专业技术人才水平评价，专业包括纺织工程、染整工程、化学纤维工程、非织造工程、服装工程。

人才举荐与表彰

举荐两院院士候选人、推荐全国创新争先奖候选对象、中国青年科技奖候选人，实施“青年人才托举工程”；表彰和奖励中国纺织学术大奖、学术带头人奖、技术带头人奖、中国纺织青年科技奖和陈维稷优秀论文奖等。

技术研发中心

由国内优秀科技型纺织或相关企业（院校）组成，是涵盖纺织全行业的创新驱动助力工程系统，目前有 100 多家成员单位。

科技评估

建有完善的第三方科技评估体系，开展面向纺织领域各类科技项目和成果的评估工作。

技术交流

搭建纺织领域新材料、新技术、新工艺、新成果技术交流平台，出版各领域技术交流《论文集》，每年有近万人次参与。

团体标准

在市场空白、技术亟需等方面，开展跨领域团体标准研制及推广活动，满足市场和技术创新需求，增加标准的有效供给。

产业研究院

依托本会的智库力量，在我国纺织服装产业集群地区建立旨在推动产业转型升级和科技成果转化的产业研究院，目前建设完成石狮市中纺学服装及配饰产业研究院和苏州中纺学面料产业研究院。

融合创新

中国科协智能制造学会联合体发起学会，中国科协先进材料学会联合体成员，生态纺织产业协同创新共同体发起单位。

04 Advantages

High-end academic journals and exchange platform

Important textile engineering journal in EI - Journal of Textile Research and national Chinese core journal - Wool Textile Journal; Chinese Textile Academic Annual Meeting, new insight into textile technology - academic salon and Asian textile meeting, etc.

Talent level evaluation

Undertake the evaluation on professional and technical personnel in textile engineering technology field, including textile engineering, dyeing and finishing engineering, chemical fiber engineering, nonwoven engineering and apparel engineering.

Talent recommendation and commendation

Recommend the academicians of the Chinese Academy of Sciences and Chinese Academy of Engineering, the candidates for national innovation first prize and young science & technology award of China, and implement "young talent lifting engineering"; commend the China textile academic award, academic leader award, technical leader award, young science & technology award of China and Chenweiji excellent paper award, etc.

Technology R&D Center

It consists of domestic excellent technological textile enterprises (institutions), is an innovation-driven engineering system covering the whole textile industry. Currently, there are more than 100 member units.

Technology evaluation

Build perfect third-party technology assessment system, and carry out the evaluation on all kinds of science and technology projects and achievements in textile field.

Technical exchange

Build technical exchange platform for new materials, new technologies, new processes and new achievements in textile field, and publish Proceedings of technical exchanges in all fields, in which nearly ten thousand people participate every year.

Group standard

In view of market vacancy and technology lack, etc., carry out the cross-field group standard development and promotion activities to meet the market and technological innovation needs and increase effective supply of standards.

Industrial research institutes

Depending on the think tank power of this Society, industrial research institutes aiming to promote industry transformation and upgrading and scientific and technological achievement transformation are established in textile and apparel industry clustering areas in China. Currently, Clothing and Accessory Industrial Research Institute of China Textile University in Shishi City and Fabric Industrial Research Institute of China Textile University in Suzhou have been established.

Integrated innovation

CAST Intelligent Manufacturing Society, Advanced Materials Alliance of CAST Member Societies, and Collaborative Innovation Community of Ecological Textile Industry.

05 会员资格与费用

申请资格

高级会员	已获得高级工程师、副教授、副研究员以上职称，或具有相当于上述水平的纺织服装从业人员； 曾承担国家及省部级科研项目，曾获国家及省部级科技进步奖和技术发明奖等的人员； 热心学会工作、具有相关专业知识的企业管理者、企业家等。 (上述条件具备其一者即可)
普通会员	已获得工程师、讲师、助理研究员、经济师等中级以上技术职称，或具有相当于上述水平的纺织服装科技人员； 获得硕士及以上学位者； 具有纺织服装相关专业知识的企业科研人员、技术人员等。 (上述条件具备其一者即可)
学生会员	高等院校、高等职业院校、科研院所的在读博士研究生、硕士研究生、大学本科及高职三年级以上成绩优良的学生。
荣誉会员	对纺织科学技术发展和本会工作有重大贡献的外籍和港澳台纺织科技工作者。
团体会员	从事纺织服装相关行业，具有一定科技力量的科研、教学、生产、设计、行业管理等企、事业单位以及依法成立的有关科技团体。

06 会员管理

本会会员工作由中国纺织工程学会会员部统一管理，其主要职责和任务是：制定并实施会员工作计划，吸收发展会员，协调会员工作，为会员提供服务，并积极组织会员活动。

会员服务	会费标准
<p>参加本会独家主办的学术会议、培训、沙龙等活动，注册费享受七折优惠；</p> <p>订阅本会主办的期刊享受七五折优惠（包括但不限于《纺织学报》（EI）、《毛纺科技》等）；</p> <p>有参加本会独家主办的纺织学术带头人、纺织技术带头人、纺织学术大奖、纺织女科学家奖、纺织青年科技奖、优秀博士、硕士论文奖、纺织科技成果转化奖等相关奖项评选的权利。</p>	<p>120元/年，每两年缴纳一次；</p> <p>一次性缴四年免第五年会费。</p>
